Copy to:

Members of Advisory/Editorial Board for information.

INSTRUCTIONS TO CONTRIBUTORS

1. Papers in duplicate for inclusion in the Bulletin should be addressed to the Chief Editor of Editorial Committee.
2. Papers submitted for publication in this bulletin will be presumed to have been offered simultaneously to no other journal for publication.
3. The sequence of Introduction, Materials and Methods, Results and Discussions, Summary, Acknowledgements and References should be followed in the composition of an article.
4. Indiscriminate underlining of headings should be avoided.
5. Every paper must be typed on one side of the sheet only in the double spacing, leaving 5cm margin for editorial use.
6. All references to literature cited in the text should be presented together at the end of the paper in alphabetical order of authors, names, the various references to each author being arranged chronologically. Each reference should be given in a standard format as follows:-

Jain, H.K. and Agnihotri, N.P., 1981. Compatibility of soil applied insecticide with different fertilizers, *Indian J. Ent.* 43(1):12-16.
7. Common Indian or English names of insects, diseases and plants should be followed by their scientific names on their first occurrence in the text; scientific names of insects and plants and their Indian names, if stated, should invariably be italics in the text.
8. The articles/research papers can be submitted through email: chiefeditorppb@gmail.com and hard copy can be posted to below address:
