Caution: Not to Be Used on Crops Other Than Specified on This Label/Leaflet

IMIPROTHRIN 50% MUP

(Household Insecticide)

Imiprothrin 50% MUP is highly active synthetic pyrethroid household insecticide. It is used for manufacture of Imiprothrin formulations.

Chemical Composition:	Ingredient	%W/W
Imiprothrin Technical (based on 90% purity) (IR) isomer ratio at the acid moiety- 95.00% Min		55.56% Min. w/w
Solvent (Isopropyl myristate)		44.44% Max. w/w
	Total:	100.000% w/w

Good Practices relating to pesticide application techniques

Direction of Use

Not applicable, Since it is approved for making RTU formulations in household use.

Weather Condition(in general):

Not applicable, Since it is approved for making RTU formulations in household use.

Soil & Water(where ever applicable):

Not applicable, Since it is approved for making RTU formulations in household use.

Crop Stage for application:

Not applicable, Since it is approved for making RTU formulations in household use.

Application Technique

Not applicable, Since it is approved for making RTU formulations in household use.

Equipment Type:

NA

NozzleType:

NA

Dosage:

Instruction for Mixing:

Re-entry Period

Not applicable, Since it is approved for making RTU formulations in household use.

Pre-Harvesting Interval

Not applicable, Since it is approved for making RTU formulations in household use.

Manner and Time of Application

NA

Application Timing

Not applicable, Since it is approved for making RTU formulations in household use.

Caution: Not to Be Used on Crops Other Than Specified on This Label/Leaflet

Frequency

Not applicable, Since it is approved for making RTU formulations in household use.

Stages during which pesticides should not be applied on any crop :

Precautions to be taken to avoid harm to the beneficial insects like honey bees and natural enemies of pests :

Toxic for fish. Do not contaminate lakes, ponds and water bodies.

Symptoms Of Poisoning

Nervousness, anxiety, ataxia, convulsion and allergic manifestation.

First Aid

If ingested carry out gastric lavage with care to prevent asphyxiation. Remove contaminated clothing and shoes immediately. If skin is contaminated, wash thoroughly with soap and plenty of water. In case of eyes splashes, flush eyes immediately with water for at least 15 minutes. Refer to doctor or nearest hospital.

Antidote

There is no specific antidote. Give symptomatic and supportive therapy.

Phytotoxicity

Not applicable, Since it is approved for making RTU formulations in household use.

Safety Precaution:

keep away from foodstuffs, empty foodstuff containers and animals feed. avoid contact with mouth, eyes and skin and avoid inhalation of the insecticide. wash thoroughly the contaminated clothes and part of the body after handling. do not smoke, drink, eat and chew anything while handling. wear full protective clothing while handling. do not discharge into lakes, streams, ponds and water bodies.

Storage Conditions

Storage and transportation should be done in such a way that no foodstuff and animal feeds are contaminated. If leakage appears during transportation or storage, transport agency or storage owner should take necessary measure to prevent poisoning and pollution of soil and water. Store in original container away from food stuff and animal feeds in a cold place, well built, dry, well lit and ventilated and of sufficient dimension, under lock and key.

Cautionary Statement:

- 1. not to be used for any purpose other than those subscribed on label & leaflets.**
- 2. destroy the container after use as directed on leaflet.**
- 3. Toxic for fish. Do not contaminate lakes, ponds and water bodies.**

Disposal of used containers, washing from equipment and surplus material :

1. It shall be the duty of manufactures, formulators of insecticides and operators to dispose packages or surplus material and washings in a safe manner so as to prevent environmental or water pollution.
2. The used packages shall not be left outside to prevent their re-use.
3. The packages shall be broken and buried away from habitation.

Manufacturer Premises :

Plot C-5/184-185, G.I.D.C., Vapi, Dist. Valsad, Gujarat. 396195
Maharashtra
