Not applicable

**Stages during which pesticides should not be applied on any crop :**

**Not applicable**

**Precautions to be taken to avoid harm to the beneficial insects like honey bees and natural enemies of pests :**

Not applicable

**Symptoms Of Poisoning**

Respiratory distress, abnormal movement and convulsion may occur.

**First Aid**

If ingested: if person is conscious and alert, rinse mouth with water and give 1 or 2 glass of water to drink. Never give anything by mouth to an unconscious person. Call the doctor. Do not induced vomiting until and unless desired by attending physician.

If inhaled: Take the patient to fresh air and take care of body temperature. If patient is not breathing or breathing with difficulty, give artificial respiration, Consult a physician.

In case of skin contact: Wash thoroughly the affected part of body with soap and plenty of water including hairs and under fingernails. If pain, redness or irritation persists, consult a doctor. All contaminated clothes should be segregated and thoroughly washed with soap and water separately before use.

In case of eye contact: Rinse gently with plenty of water at least for 15 minutes. If pain, irritation, redness or photophobia persists. Consult eye specialist

**Antidote**

No specific antidote, symptomatic and supportive therapy

**Phytotoxicity**

Not applicable

**Safety Precaution:**

Do not take internally. Avoid breathing concentrate or spray mist. Avoid skin contact, keep away from food stuff and animal feed. Do not chew, eat, drink or smoke during application. Wash hands with soap and water, after use. Change the contaminated clothes. Destroy empty containers after use.

**Storage Conditions**

1) The packages containing herbicides shall be stored in separate rooms or premises, away from the rooms or premises used for storing other articles or shall be kept in separate almira's under lock and key depending upon the quantity and nature of the herbicides. 2) The rooms or premises meant for storing herbicides shall be well-built, dry, well-lit and ventilated and of sufficient dimension.

**Cautionary Statement:**

**1. Not to be used for any purpose other than those subscribed on label and leaflets.**

**2. Destroy the container after use as directed on leaflet.**

**Disposal of used containers, washing from equipment and surplus material :**

**Caution: Not to Be Used on Crops Other Than Specified on This Label/Leaflet**

1. It shall be the duty of manufactures, formulators of insecticides and operators to dispose packages or surplus material and washings in a safe manner so as to prevent environmental or water pollution.
2. The used packages shall not be left outside to prevent their re-use.
3. The packages shall be broken and buried away from habitation.
