10/9/2021  
Chief Administrative Officer

**ANNEXURE-I**

**Terms of reference for appointment as Sr. Technical Officer & Technical Officer in Secretariat of CIB&RC, Directorate of Plant Protection Quarantine and Storage, Faridabad (an attached office under Ministry of Agriculture and Farmers Welfare).**

**1. INTRODUCTION:** Directorate of Plant Protection, quarantine and Storage is an attached office under Ministry of Agriculture and Farmers Welfare. Secretariat of CIB&RC is an office under the administrative control of Directorate of Plant Protection, quarantine and Storage.

The mandate of Secretariat of CIB&RC is to implement various provisions of the Insecticides Act, 1968 and Rules made there under. Any insecticide which is to be imported or manufactured for use in the country is to be compulsorily registered by the Central Insecticides Board & Registration Committee (CIB&RC) constituted under the Insecticide Act, 1968. There are various divisions like chemistry, toxicology, bio-efficacy etc. to scrutiny the applications received for registration in the Secretariat of CIB&RC. The Toxicology Division is created in order to verify the safety claims made by the manufacturers through submission of the data on various parameters at the time of grant of registration of the CIB&RC.

The registration of a pesticide is to be granted after the Committee is satisfied as regards the efficacy and safety of the product. Sometimes, the adverse effects come to limelight in the due course of its use. To establish its adverse nature, this Division has to generate data and advice to the Government to take suitable course of action. In such cases, there is a need for adopting the risk management strategy in order to reduce the hazards to the human beings and the environment. The Division is a highly specialized discipline of medicine which inter alia looks after the safety to human beings, animals and the environment.
