CIRCULAR

It has been observed that, a number of references are being received from the employees of the Directorate, **seeking ex-post facto sanction for unlisted test/investigation/treatment procedure.**

2. Reference is invited to Ministry of Health & Family Welfare OM No. 2-15025/117/2017DIR/CGGS/EHS dated 15th January, 2018, vide which CGHS beneficiaries are required to **seek prior permission** for unlisted investigation/test/treatment procedure from their Department before undergoing such investigation/treatment. However, beneficiaries are still requesting for ex-post facto sanction with the reason that he/she was unaware about the prior permission for unlisted test/investigation/treatment procedure.

3. The competent authority is of the opinion that this practice should be discouraged and ex-post facto sanction in respect of unlisted investigation/test/treatment procedure **should be granted only in extremely deserving case i.e. in case of emergency/urgent test as per the Guidelines.**

4. In view of the above, all CGHS beneficiaries of the Directorate are advised to adhere to CGHS guidelines and obtain prior permission of the Competent Authority before undergoing unlisted investigation/test/treatment procedure.

5. This issues with the approval of Plant Protection Adviser .
