2. On up-gradation under the MACP Scheme the pay of the Government servant will be fixed under the rule 22 (I) (a) (I). There shall, however, be no further fixation of pay at the time of regular promotion if it is in the same grade pay/Level as granted under MACPS. However, at the time of actual promotion if it happens to be in a post carrying higher grade pay/Level other than what is available under MACPS, no pay fixation would be available and only difference of grade pay/Level would be made available.
3. The MACP Scheme contemplates merely placement on personal basis in the immediate higher Grade Pay/Level/grant of financial benefits and shall not amount to actual/functional promotion of the employee concerned.
4. If a regular promotion has been offered but was refused by the employee before becoming entitled to a financial up gradation, no financial up gradation shall be allowed as such an employee has not been stagnated due to lack of opportunities.
5. On grant of financial up gradation under the Scheme, there shall be no change in the designation, classification or higher status. However, financial and certain other benefits which are linked to the pay drawn by an employee such as HBA, allotment of Government accommodation shall be permitted. The officers are required to give the option within the one month to get their pay fixed in the higher post/grade pay either from the date of their promotion/upgradation or from the date of their next increment viz. 1st January & 1st July of the year.
6. The grant of above MACP is subject to review/post audit.
