

Plant Quarantine Station, Ahmedabad

Objectives

1. Inspection of imported agricultural commodities for preventing the introduction of exotic pests and diseases inimical to Indian fauna and flora through implementation of DIP Act, 1914 and the Plant Quarantine (Regulation of Import into India) Order, 2003 issued there under.
2. Inspection of plants and plant material meant for export as per the requirements under International Plant Protection Convention (IPPC) 1951 of FAO to facilitate pest free trade.
3. Detection of exotic pests and diseases for their containment by adopting domestic quarantine regulations, if introduced.
