**OFFICE MEMORANDUM**

**Sub: Delay on the part of Central Insecticides Inspectors in launch of prosecution and further proceedings.**

It has come to notice that the CIIs does not appear to be serious in discharging of their duties assigned u/s 21 of Insecticides Act, 1968 & rule 15, 27, 28 despite OM issued to them from time to time.

Further, it has been observed that follow up the launch of prosecution of cases is not taken seriously by the nominated CIIs. Cases are pending for launch of prosecution even though consent for same has been accorded by the Competent Authority and moreover, several cases are left unattended and are disposed of leading to acquittal of the accused. Therefore, it is directed to all CIIs to take immediate necessary steps for making needful correspondences/liaison with the respective Govt. Counsels and follow up the matters timely to secure the objective of the Insecticides Act, 1968 in the interest of the justice.

This issues with the approval of Plant Protection Adviser.
