**F.No.22-5/CII-Communication/Chem-TLC/2021-22**

**Government of India**  
**Ministry of Agriculture & farmers Welfare**  
**(Department of Agriculture & Farmers Welfare)**  
**DIRECTORATE OF PLANT PROTECTION, QUARANTINE & STORAGE**  
**NH IV, FARIDABAD – 121 001 (Haryana)**

Dated :13.07.2022

**OFFICE MEMORANDUM**

Refer to TLC's OM vide file of even No., dated 01.03.2021, 06.09.2021 and 03.02.2022 wherein the directions communicated are self-explanatory.

Competent Authority has reviewed the performance of all notified Central Insecticides Inspectors (CIIs). It is informed that Competent Authority has expressed his serious displeasure as to zero drawl of pesticide samples from manufacturing premises/sale points. It seems to be a futile exercise conducted by CIIs under TLC of timely issuance of OMs as reminder to CIIs and an ultimate defeat in maintaining quality control activities and access of quality pesticides in market as envisaged under the provisions of Insecticides Act, 1968 & rules made there under.

**Therefore, it is strictly directed to all CIIs to maintain compliance (keeping in view the safety measures related to COVID-19) as quoted in the contents of OMs earlier issued and ensure no impediment is made, failing which disciplinary action shall be attracted & initiated.**

A report on the above task should be provided by 10<sup>th</sup> of every month to the undersigned through e-mail on [ppa@nic.in](mailto:ppa@nic.in) or [ddchem-ccc-agri@nic.in](mailto:ddchem-ccc-agri@nic.in) for compilation and onward transmission to DA& FW.

This issues with approval of Plant Protection Adviser.

(Dr. Raunaq)  
Assistant Director (Chem.)  
Officer In charge  
Techno Legal Cell

To  
All Concerned CIIs
